

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF KENTUCKY-)
AMERICAN WATER COMPANY FOR AN) CASE NO. 2018-00358
ADJUSTMENT OF RATES)

ORDER

On November 28, 2018, Kentucky-American Water Company (Kentucky-American) filed an application (Application) for a general rate adjustment pursuant to KRS 278.180 and KRS 278.190, and approval of revised tariffs pursuant to KRS 278.160. In its Application, Kentucky-American proposed that the new rates become effective on December 28, 2018.

Having reviewed Kentucky-American's Application and being otherwise sufficiently advised, the Commission finds that an investigation is necessary in order to determine the reasonableness of the proposed tariffs and that such investigation cannot be completed by December 28, 2018. Therefore, pursuant to KRS 278.190(2), the Commission will suspend the effective date of the proposed tariff for six months, up to and including June 27, 2019.

The Commission also finds that a procedural schedule should be established to commence a review of the reasonableness of the proposed rate adjustment and tariffs. The procedural schedule is attached as an Appendix to this Order.

All requests for intervention should be filed by December 28, 2018. As set forth in 807 KAR 5:001, Section 4(11)(a), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the

proceedings which is not adequately represented in the case, or (2) that the person requesting permissive intervention is likely to present issues or develop facts that will assist the commission in fully considering the matter without unduly complicating or disrupting the proceedings. Further, KRS 278.040(2) requires that a person seeking intervention have an interest in the rates or service of a utility, as those are the only matters that are subject to the Commission's jurisdiction.

The Commission further finds that any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not adequately presented, or the issues and facts the person will present that will assist the commission in fully considering the matter. A mere recitation of the quantity of water consumed by the movant or a general statement regarding a potential impact of a possible modification of rates will not be deemed sufficient to establish a special interest.

IT IS THEREFORE ORDERED that:

1. Kentucky-American's proposed tariffs are suspended for six months from December 28, 2018, up to and including June 27, 2019.
2. The procedural schedule set forth in the Appendix to this Order shall be followed.

c. Any party shall make timely amendment to any prior response if it obtains information that indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requesting information that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

4. Any motion to intervene filed after December 28, 2018, shall show a basis for intervention and good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

5. Kentucky-American shall give notice of any hearing in this matter in accordance with the provisions set forth in 807 KAR 5:001, section 9(2)(b). In addition, the notice of hearing shall include the following statement: "This hearing will be streamed live and may be viewed on the PSC website, psc.ky.gov." At the time publication is requested, Kentucky-American shall forward a duplicate of the notice and request to the Commission.

6. At the public hearing in this matter, neither opening statements nor summarization of direct testimonies shall be permitted.

7. Pursuant to KRS 278.360 and 807 KAR 5:001, Section 9(9), a digital video transcript shall be made of the hearing.
